

## 3 steps to connect parents

### 1. Print

Print a parent invite (next page) for each student in your class.

### 2. Send home

Send students home with invites to give to their parents or guardians.

### 3. Connect

From the app or [classdojo.com](https://classdojo.com), parents will use the invitation code to get verified, connect to your classroom, and set up their child's account!

---

### Benefits to connecting parents:

- ✓ Parents in the know are able to provide better support at home
- ✓ Sharing moments from school fosters a sense of community
- ✓ Messaging directly (in 50+ languages) breaks communication barriers

## 3 steps to set up student accounts

### In class:

#### 1. **Print it**

Print Student Login Poster (next page).

#### 2. **Pin it**

Pin your Student Login Poster to a classroom wall, or one to each wall! Tip: Pin poster low enough for students to reach.

#### 3. **Scan it**

From the app or [classdojo.com](https://classdojo.com), scan the QR code from the Student Login Poster. Students may need to log out of existing accounts.

### At home:

Once students create accounts they'll be able to add to their portfolio, view feedback, and customize their monster!

**Student instructions:**
